This information will be used to determine whether the applicant or applicant's family's prior conduct and behavior is likely to interfere with other Tenants or BCHA Staff to diminish their health, safety or welfare, or be adversely affecting the physical environment or the financial stability of BCHA's low-income housing program.

PART III – TENANT SELECTION AND ASSIGNMENT POLICIES

The Tenant Selection and Assignment Policies take into consideration the needs of individual families for low-income housing and the statutory purpose in developing and operating a sound low-income housing program which provides a decent and suitable living environment and which fosters economic and social diversity in the Tenant body as a whole.

A. Non-Discrimination: BCHA shall provide housing in a fair and consistent manner to all persons/families interested in renting a BCHA unit. BCHA will not discriminate at any stage of the application/participation process because of race, color, religion, sex, creed, age, handicap, disability, familial status, or national origin. BCHA is bound by the non-discrimination requirements of federal, state and local law. No preference will be shown any applicant because of political affiliation or acquaintance with any public official at the federal, state or local level. BCHA will abide by the non-discrimination requirements of the following:

1. Title VI of the Civil Rights Act of 1964, which prohibits discrimination based on race, color, or national origin in programs receiving federal financial assistance;
2. Title VIII of the Civil Rights Act of 1968, which prohibits discrimination based on race, color, religion, sex, handicap, disability, familial status or national origin, in the sale, rental or advertising of housing;
3. Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination based on handicap in programs receiving federal financial assistance;
4. The Age Discrimination Act of 1975, which prohibits discrimination based on age in programs receiving federal assistance;
5. Executive Order 11063, which required HUD to take whatever action is necessary to prohibit discrimination based on race, color, sex, handicap, disability, familial status or national origin, in housing receiving federal assistance;
6. N.D.C.C. 14-02.4, which is the state anti-discrimination law. BCHA shall not discriminate against any applicant because of race, color, religion, sex, national origin, age or mental or physical disability, or status with regard to marriage or public assistance. No preference will be shown any applicant because of political affiliation or acquaintance with any public official at the federal, state, or local level;
7. The Fair Housing Act (42 U.S.C. 3601-3619) and the implementing regulations at 24 CFR parts 100, 108, 109 and 110;
8. The Americans with Disabilities Act (42 U.S.C. 12101-12213) to the extent applicable;

9. Violence Against Women Act and Department of Justice Reauthorization Act of 2005 (VAWA.)

B. Reasonable Accommodation

Any individual with a disability may request a reasonable accommodation to have access to the benefits of housing or housing assistance equal to the benefits of housing and housing assistance accessed by non-disabled individuals.

To qualify for a reasonable accommodation the individual must meet the following criteria.

1. Be a Public Housing-verified disabled individual.
2. The requested accommodation must be related to the disability. When the disability is not documented or apparent, will request written documentation from a qualified individual or agency that the requested accommodation is needed due to the disability. BCHA will not require verification of the nature of the disability.
3. The requested accommodation must be considered reasonable by BCHA. To be considered reasonable, the accommodation requested should (a) not alter the fundamental business of providing housing assistance. For example: BCHA would not consider a request to provide a grocery shopping or housekeeping service reasonable, as this does not fall within the fundamental business of providing housing or housing assistance, and (b) not create undue hardship or financial burden to BCHA. If more than one accommodation is equally effective in providing equal access to BCHA's services, BCHA retains the right to select the most efficient or economic choice of accommodation.
4. Communication Accommodation. BCHA does take appropriate steps to ensure effective communication with applicants, beneficiaries, and members of the public, and furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity receiving federal financial assistance in accordance with 24 CFR 8.6 Communication. All interpreters, signers and auxiliary aids must be pre-approved by BCHA if services are to be billed to BCHA.

Whenever a reasonable accommodation is requested BCHA retains the right to determine if the requested accommodation meets the above criteria.

When a request for a reasonable accommodation is denied, the tenant/applicant will be notified in writing of the denial and their right to request an Informal Hearing under BCHA's grievance procedure.

C. Tenant Selection and Waiting List Procedures:

1. De-concentration of Poverty. BCHA will affirmatively market housing to all eligible income groups. Lower income Tenants will not be steered toward lower income developments and higher income people will not be steered toward higher income developments. Eligible families will be offered all available appropriate size unit(s) to assure family choice to the best level possible. Upon each update of the Census Tract BCHA will compare the income levels of families residing in each of the developments, the income levels of Census Tracts in which our developments are located, and the income levels of families on the Public Housing Waiting List. Based on this comparison BCHA will develop and implement a strategy to abate any identified concentration in an expedited manner at the time concentration is identified.

2. Income Targeting Procedure. BCHA will implement the statutory requirement that at least 40 percent of newly admitted families in any fiscal year be families whose annual income is at or below 30 percent of the area median income. Monthly reports tracking income for new admissions will be reviewed for compliance with this income-targeting requirement.

In the event that new admissions of extremely low-income families fall below the 40 percent level for the current fiscal year it will be necessary to select applicants from the waiting list based on their meeting the extremely low-income guidelines. This will be accomplished in the following manner:

- a. An applicant at the top of the waiting list will be notified in writing that: (1) their name is nearing the top of the waiting list; and (2) they must contact BCHA to set up an appointment for the initial briefing interview with BCHA Staff.
- b. If after the initial briefing interview an applicant's verified income exceeds the extremely low-income requirement, the applicant will be notified that their name will remain on the waiting list as of their original date and time, but that their housing must be delayed until BCHA has met the HUD income targeting requirement.
- c. This process will continue until BCHA is again in compliance with mandatory admission income guidelines.

3. Placement on Waiting List. In order to be placed on the waiting list, an interested family must submit a completed application to BCHA. Complete applications will be date and time stamped upon receipt in BCHA office and placed on the waiting list in order of date and time received. To be considered a complete application, every question must be answered and the form signed by the head of household listed on the application. The application will not be placed on the waiting list until a completed application is submitted to BCHA.

4. Waiting List Maintenance. The waiting list will be maintained for all eligible applicants by unit size. A second waiting list will be maintained for BCHA's Designated Near-Elderly and Elderly Only units known as Crescent Manor and Crescent West.

A waiting list based on date and time of application will be managed according to:

- a. Type and size of unit.
- b. Near-Elderly and Elderly to be housed in units designated for their use.
- c. Handicapped to be housed in units for their use, i.e. a person needing a handicap accessible unit may take precedence over a non-handicapped person if a handicap accessible unit is available.
- d. Units will be assigned in compliance with Income Targeting Requirements as contained in this plan.
- e. Units will be assigned in compliance with de-concentration procedures when required as contained in this plan.

Applicants will be removed from the waiting list under the following circumstances:

- a. At any time upon the written request of the Applicant to be removed from the waiting list; or
- b. When the Applicant has failed to respond to the notification of an available unit within ten days of the date of the notification; or
- c. When the Applicant has responded to the notification of an available unit and failed to appear for the appointment; or
- d. When the Applicant has failed to return completed landlord references within ten days of the date mailed; or

- e. When the Applicant is no longer eligible for the program; or
- f. When the Applicant has been offered an available unit and has refused the unit; or
- g. When regular mail sent to the address on the completed or updated application is returned by the USPS, unopened and/or undeliverable; or
- h. When the household size of the applicant no longer qualifies for the bedroom size applied for or pursuant to Occupancy Standards.

5. **Inactive Files.** An inactive file will be disposed of five (5) years from the date it was classified as inactive.

6. **Ineligible or Withdrawn Files.** Ineligible or withdrawn files will be disposed of five (5) years from the date they were classified as ineligible or withdrawn. Terminated Tenant files will be disposed of five (5) years after audit.

D. Reassignment or Transfers to Other Dwelling Units: Reassignment or transfers to other dwelling units shall be made in accordance with Part III, A. Non-Discrimination, as follows:

- a. Tenants shall not be transferred to a dwelling unit of equal size either within a project or between projects, except for alleviating hardships as determined by the Executive Director or his/her designee.
- b. Transfers shall be made to conform to occupancy standards.
- c. Transfers required shall take precedence over new admissions.
- d. Families in over-occupied units shall be offered a larger unit at the first opportunity.
- e. Families in under-occupied units shall be offered a smaller unit at the first opportunity. This may be waived to avoid a vacancy problem, to maintain full occupancy, or to prevent a hardship to the family.
- f. Only one unit will be offered to a family transferring unless there is a hardship situation as determined by BCHA. If Tenant refuses the unit offered, and it is determined by BCHA that there is no hardship to the family, the lease may be terminated by BCHA with a 30-day notice.

E. Additional Selection Criteria:

- 1. Selection is determined in accordance with Part III, B. above.
- 2. BCHA can hold a unit for an eligible Tenant for no more than 30 days after notifying the Tenant of the available unit. If BCHA Staff determines extenuating circumstances warrant it, an extension period may be granted up to an additional 30 days.
- 3. All other eligibility requirements apply.
- 4. Each eligible applicant will be offered a suitable unit. If the applicant rejects the unit offered, he/she shall be either moved to the last place on the waiting list or removed from the waiting list, whichever the applicant chooses. If the applicant rejects a unit when their name reaches the top of the waiting list for a second time the application will be made inactive and the applicant informed that he/she must reapply when he/she is again interested. It is not a rejection if the location would create an undue hardship to the applicant. This hardship situation must be verified and accepted by BCHA.

PART IV – RENTS AND RENT COLLECTION POLICY

A. Schedule of Rents: At the choice of the Tenant, the Tenant rent shall be one of the following options:

Option 1: Flat Rent. This is the amount of rent based on the market value of the unit as determined by BCHA, or

Option 2: Income-Based Rent. This is the highest of:

- A. 30 percent of the family's monthly adjusted income; or
- B. 10 percent of the family's monthly gross income.

Where rent computations result in "negative rent" (total Tenant payment less utilities), BCHA shall pay the difference directly to Tenant.

B. Rent Collection Policy:

Delinquent or Late Rent: Rent which is not paid by close of business on the 5th day of the month in which the rent is due or on such later date which was agreed to by a rent agreement.

Nonpayment of Rent: Rent which is not paid by close of business on the last working day of the month for which the rent is due.

1. All Tenants will be notified of Burleigh County Housing Authority's Rent Collection Policy during their initial interview prior to occupancy.
2. All unpaid rents become delinquent on the 5th day of each month and unless a written extension (rent agreement) is requested prior to 4:30 p.m. on the 5th day of the month and approved by Management. The Tenant shall be notified in writing that the rent is delinquent and that a delinquent (late) rent fee has been assessed to their account.
3. A Tenant may be given an extension beyond the 5th day of the month upon request; however, the Tenant must appear in person at the Burleigh County Housing Authority Office (410 South 2nd Street) prior to the 5th day of the month and request the extension which, upon approval, will be given to the Tenant in writing. If the rent is not paid on the date set forth in the rent agreement, the Tenant will be notified in writing that the rent is delinquent and that a delinquent (late) rent fee has been assessed to their account. The maximum length of an extension of time to pay the delinquent rent as set forth in the rent agreement shall be 30 days. At no time will a rent agreement be approved for payment due after the last working day of the month.
4. If the rent is not paid by close of business on the last working day of the month for which the rent is due, the Tenant shall be considered to be in non-payment of rent which is in material non-compliance with the terms and conditions of the lease. The Tenant will be served with a 10-Day Notice to Pay or Quit (Vacate) in accordance with the terms and conditions of the Tenant's lease.
5. A \$25 fee to cover additional administrative costs will be added to any rents not paid by the 5th day of the month or such later date as set forth in an approved, written rent agreement.
6. If payment is not made and the time period for an informal grievance hearing has expired, legal proceedings will be instituted for possession of the dwelling unit. Tenant will be responsible for Management's legal costs in addition to the rent. Partial payment will not affect the eviction process.
7. Receipt of a "Non-Sufficient Funds" (NSF) check will be considered nonpayment of rent and procedures outlined above will apply, including assessment of a \$25 late fee if acceptable payment is not received by the 5th day of the month. An additional \$25 NSF charge will be assessed.
8. Nonpayment of rent and/or receipt of a NSF check constitute material non-compliance with the terms and conditions of the lease and could result in termination of tenancy.
9. If Tenant issues one (1) NSF check, Management has the right to require the Tenant to pay future rents by cash, money order or cashier's check.
10. If Tenant requests a replacement for a lost utility check, a \$25 stop-payment charge will be withheld from the replacement.

PART V – ADDITIONAL CHARGES

A. Security Deposit: Each Tenant is required to pay a security deposit in an amount determined by BCHA. The security deposit will be held until the Tenant moves out and will be returned with interest at that time if the following conditions are met:

1. There is no unpaid rent or other charges for which the Tenant is liable.
2. The assisted unit and all equipment are left reasonably clean, and all trash and debris have been removed by the Tenant.
3. There is no damage that is not due to normal wear.
4. All keys issued to the Tenant are returned to the Housing Authority office when the Tenant vacates.
5. Tenant must provide BCHA with a forwarding address.
6. Tenant gives 30-days prior written notice to BCHA.
7. Tenant must have resided in a BCHA unit for nine (9) or more months before interest will be paid on security deposit.

The security deposit may not be used to pay rent or maintenance charges during occupancy. The amount of security deposit shall be a minimum set by BCHA or equal to one month's gross rent, whichever is greater. The security deposit paid by Public Housing Tenants shall not exceed \$350.

B. Pet Deposit: See Appendix C – Lease Addendum Pet Policy.

PART VI – RE-EXAMINATION AND RENTAL ADJUSTMENTS

A. BCHA will re-examine income, assets, expenses and family composition as follows:

1. As required by regulation for Tenants paying income-based rent.
2. Once every three (3) years as required by regulation for Tenants paying a flat rent.
3. When any of the following occur:
 - a. Additional persons will reside in the unit.
 - b. Tenant requests a rent review due to a decrease in family income or change in family size or a change in other circumstances which would lower the rent payment according to HUD regulations.
 - c. The current rental payment was calculated for a temporary time period.
 - d. There is a change in Housing Authority regulations/policies requiring such a review.
 - e. The family requests a flat-rent hardship exemption.
 - f. Tenant requests a rent review due to a decrease in income resulting from welfare program requirements will be processed as follows:

A family covered under Section 12(d) of the 1937 Housing Act is a family that:

- (1) Receives benefits for welfare or public assistance from a state or other public agency under a program for which the federal, state or local law relating to the program requires, as a condition of eligibility for assistance under the program;
- (2) Participation of a member of the family in an economic self-sufficiency program, and
- (3) Resides in a public housing dwelling unit.

For welfare sanctions – income shall be reviewed and changes in rent shall be as follows:

- (1) If a covered family is sanctioned by the public assistance agency for their failure to comply with either, an economic self-sufficiency program or a work requirement, their rent will not be reduced proportionally;
- (2) If a covered family loses benefits due to a lifetime time limit on public assistance, their rent will be reduced proportionally; or
- (3) If a covered family is sanctioned for fraud and their benefits are reduced, their rent will not be reduced proportionally.

When a rent reduction will not occur as set out in (1) and (3) above, BCHA will have written verification from the welfare agency that:

- (1) The family's benefits have been reduced;
- (2) The amount of the reduction; and
- (3) The reason for the reduction.

When BCHA does not reduce the rent charged proportionally for loss of benefits, the failure to reduce the rent can be appealed by the Tenant through BCHA's Grievance Procedure.

- g. When a family requests to switch from a flat rent to an income-based rent and BCHA determines that the family has a financial hardship circumstance.

4. BCHA will phase-in rent for qualified Tenants that transition from welfare to work according to Section 508 of QHWRA. There will be no increase in rent for qualified Tenants who meet eligibility for the disregard program in the first 12 months after employment. Rent will increase 50 percent of the regular increase in the income of a qualified working Tenant in the second year (for the second 12 working months). The income of the qualified Tenant will be counted at 100 percent after the disregard period has ended or 48 months have passed, whichever comes first for the third year.

5. When a Tenant reports to BCHA the disclosure of income letter they have received from HUD regarding income matching.

B. At both the annual and the three (3) year re-examination the Tenant is required to:

- a. Provide releases of information;
- b. Complete Personal Declaration form;
- c. Verify ALL income, assets and deductions;
- d. Provide current information on family composition; and
- e. Provide evidence of citizenship or eligible immigration status, if they have not already done so.

C. If at the conclusion of an annual, interim or three (3) year review, it is found that the rent currently being charged is no longer in conformance with HUD regulations, the rent will be adjusted accordingly.

D. Increases in rent resulting from rent reviews are effective on the first day of the second month following the change (except for changes for participants in the Mandated Income Disallowance Policy, see Appendix G). Decreases are effective the first day of the month following the change. All changes in income and household size must be reported in writing within ten (10) calendar days of the change.

E. If it is found that the size or composition of a household has changed so that the unit occupied by the family contains a number of rooms less or greater than necessary to provide decent, safe and sanitary accommodations, BCHA shall transfer the family to another dwelling unit according to the transfer procedures as set out in this plan.

F. If it has been found that a Tenant misrepresented to the Housing Authority the facts upon which rent is based, so that the rent paid is less than should have been charged, then the increase in rent is made retroactive to the date the change should have been made. If BCHA determines that the Tenant has gained admission or remained in occupancy in BCHA's project through the Tenant's willful misrepresentation of income, assets, or family composition, BCHA may serve a 30-day Notice of Termination of Lease and may file charges against Tenant in district court for theft of services or fraud.

G. If BCHA finds that a Tenant intentionally or deliberately misrepresented his/her income, assets, deductions or family composition, the Tenant may be given Notice of Termination of Lease at the time the misrepresentation is discovered, whether or not the Tenant is eligible when the misrepresentation is discovered. Tenant has the right to request to pursue BCHA's grievance procedures.

PART VII – VERIFICATION OF STATEMENTS AND INCOME

All applicants and Tenants shall be required to furnish proof of any statements, when requested by BCHA, to reasonably assure accuracy.

When an applicant or Tenant reports annual income of zero, BCHA may require the absence of such income to be verified every 60 days.

All verifications will be obtained prior to the signing of a lease and for all subsequent re-examinations to ensure that current and accurate data is used in calculating rents, eligibility and unit size.

Applicants and Tenants must furnish verification or provide authorization to BCHA to obtain verification from a third party of all statements regarding income, assets and allowances.

When a Tenant or applicant's participation in or completion of a drug abuse, alcohol abuse or other counseling program is required for admission or continued occupancy, the applicant or Tenant must provide releases of information to BCHA for such counselors or agencies as are involved for purposes of determining eligibility.

All income, assets and each applicable deduction or exemption is verified at the time of admission and at each subsequent re-examination. Income will be verified by third-parties where feasible. If third-party written verification is not possible, a review of documentation provided by the family, such as employer's W-2 forms, benefit checks, income tax returns, benefit award letters, savings and checking account statements, estimated market value of real estate from tax statements, United States savings bond redemption values, and other supporting documents may be accepted. In cases where third-party verification is not used, BCHA will document the reason another method was used. (US Treasury checks will not be photocopied).

The following will be verified and documented in Tenant files:

1. Age of family members when the sole factor determining eligibility is based on age or to support exemptions claimed for minors.
2. Displacement, handicap, disability or age when they are a factor in determining eligibility for a placement on the waiting list or unit assignment. For persons who claim disability but do not receive benefits under Section 223 of the Social Security Act or Section 102(b) 5 of the Developmental Disabilities Services and Facilities Construction Amendment of 1970, or any other disability insurance, and when applicant or Tenant has no other means of verifying disability, a doctor's certification as to the degree and possible length of such disability or equivalent may be required. The receipt of veteran's benefits for disability, either service-incurred or otherwise, does not automatically establish eligibility.
3. Full-time student status.
4. Non-economic selection criteria. When the basis for possible denial of eligibility is the past conduct of the applicant or members of his or her family, BCHA may request additional information including, but not limited to:
 - a. Verification of past rental history;
 - b. Interviews with clergy, advocates, counselors, parole officers, local law officers, etc.; and
 - c. Review of public records.

PART VIII – OCCUPANCY STANDARDS & REQUIREMENTS

A. Occupancy Standards: Units are assigned so that no persons of the opposite sex, other than head, co-head and children below the age of six (6) years will occupy the same bedroom. When possible, units also should be assigned not to require use of living rooms for sleeping purposes. Every member of a family regardless of age should be considered a person. The following will determine the number of bedrooms required for a family of a given size except that such standards may be waived when a vacancy problem exists and it is necessary to achieve or maintain full occupancy by temporarily assigning a family to a larger unit than is required. Such family would be transferred to the proper size unit as soon as one is available. When transfers are necessary, they take priority over new admissions.

Generally assignment of units will be made as shown below:

<u>Number of Bedrooms</u>	<u>Number of Persons</u>	
	Minimum	Maximum
0	1	1
1	1	4
2	2	6
3	3	10
4	5	12

The relationship, age, sex, health or handicap of the members of the family may be taken into consideration in assigning families within the above ranges.

B. Family Absences from Unit: A unit under lease may not be left unoccupied for greater than 45 days, whether or not the Tenant pays rent and/or utilities on the unit unless otherwise approved in

writing by BCHA. Criteria used to determine if a family is absent from a unit include but are not limited to:

1. Rent is unpaid.
2. Utilities are not in service.
3. Papers piled up in front of door.
4. Mail not collected, or Post Office reports a forwarding address has been placed at the Post Office by the family.
5. Reports by neighbors or other individuals that the unit is vacant.
6. Emergency inspection to view unit.
7. Attempts by BCHA Staff through mail and telephone to contact the family.
8. Newspaper or other reports that the individual is incarcerated or deceased.

When BCHA determines that a unit is abandoned by the Tenant family, the unit will be reinstated to BCHA in accordance with BCHA's Abandonment Procedure (See Appendix D).

C. Changes in Family Composition:

1. To add a family member, foster child or live-in aide to a Tenant's lease, the Tenant must:
 - a. Provide a written request to BCHA.
 - b. Complete a Personal Declaration including the proposed new family member so that the additional family member may be screened for eligibility.
 - c. Supply all required documentation for proposed new family member, foster child, live-in aide, etc.
 - d. Not allow the proposed new family member to reside in the unit for more than seven (7) days in a 30-day period without prior approval from the Housing Authority prior to the proposed new family member being determined to be eligible by BCHA Staff and being officially added to the lease. (Exception: a newborn, adopted baby or foster child may reside in the unit during the process of determining eligibility to be added to the lease as a family member).
2. To remove a family member from the Tenant's lease the following procedures must be followed:
 - a. The adult head of household may remove minors from the lease by written request to BCHA. The Tenant may be required to provide documentation to show that the minor no longer resides in the unit when BCHA requests such information.
 - b. An adult member of the household may only be removed from the lease as follows:
 - (1) The adult member presents a written request to BCHA to be removed from the lease.
 - (2) The court evicts the adult family member from the unit.
 - (3) There is a court restraining or protection order in force which prohibits the adult family member from being in or near the unit.
 - (4) The adult family member is incarcerated for a period to exceed six (6) months.
 - (5) The adult family member is hospitalized for a period to exceed six (6) months.
 - (6) When circumstances arise other than those mentioned above that would not deny or interfere with the removed adult family member's rights under the lease.
 - (7) When a family breakup reduces the number of family members, the occupancy standards and requirements will be reviewed to reflect the reduced size of the family.

D. Unit Uniform Physical Condition Standards: BCHA will inspect all BCHA-owned units in accordance with BCHA's written procedures for uniform physical condition standards inspections as set out in 24 C.F.R. 902.23.

PART IX – LEASING

- A. Prior to admission a lease shall be signed by the family head of household and any other adult members of the household and executed by BCHA.
- B. The lease is to be current at all times and must be compatible with BCHA policies as well as state and federal law.
- C. Notices of Rent Adjustments which are issued to amend the lease need not be signed by either the Tenant or BCHA.
- D. Schedules of special charges for services, repairs and utilities, and rules and regulations which are required to be incorporated in the lease by reference shall be publicly posted in a conspicuous manner in BCHA office and shall be furnished to applicants and Tenants upon request. Such schedules, rules and regulations may be modified from time to time, provided that at least 30-days written notice is given setting forth the proposed modification, the reasons therefore, and providing the Tenant an opportunity to present written comments which shall be taken into consideration prior to the proposed modifications becoming effective. A copy of such notice shall be:
- a. Delivered directly or mailed to each Tenant;
 - b. Posted in a conspicuous place at the Housing Authority office; or
 - c. Posted on BCHA's website at www.burleighcountyhousing.com.
- E. Any modifications of the lease other than noted above must be accomplished by a written addendum to the lease signed by both parties.

PART X – LEASE TERMINATIONS

A. When the Lease may be Terminated

1. The Tenant may terminate the lease by providing BCHA with 30-days written notice as defined in the lease agreement.
2. The lease may be terminated by BCHA at any time by the giving of written notice for violation of the terms of the lease, HUD regulations or for other good cause.

B. Grounds for Termination of the Lease: Listed below are grounds for termination of the lease or denial of public housing for action or failure to act by the applicant/Tenant, any member of the applicant/Tenant's household or guest(s), and the period of ineligibility to apply for or receive public housing through BCHA after denial or termination is shown in parenthesis at the end of each item listed below. Determination that a Tenant, Tenant's family or guest(s) has violated the lease, BCHA's Admissions and Occupancy Administrative Plan, HUD regulations or federal housing law which requires that the applicant be denied or the Tenant evicted from the premises shall be based on the preponderance of the evidence rather than the standard of "beyond a reasonable doubt" in criminal law.

Verification of any of the above violations is considered grounds for Termination of Lease or other appropriate action to correct the violation(s).

Burleigh County Housing has implemented a Zero Tolerance "One Strike and You're Out" policy to remove Tenants who are involved in drug-related criminal activity.

Before BCHA takes any adverse action based on a criminal conviction record, BCHA must provide the applicant or Tenant with a copy of the criminal record and an opportunity to dispute the accuracy or relevancy of the record through BCHA's grievance procedure as set out in this Plan.

Failure by BCHA to terminate on the basis of one incident is not a waiver of any legal remedies or termination at a later date. If BCHA terminates the lease, written notice will be given as follows:

- a. Ten (10) days prior to termination in the case of failure to pay rent.
- b. Three (3) days for drug-related activity on or off the premises, violent criminal activity or alcohol abuse that threatens the health, safety or peaceful enjoyment of the premises by other Tenants or BCHA Staff.
- c. - d. Thirty (30) days in all other cases.

C. D. When BCHA is required to afford the Tenant the opportunity for a hearing under BCHA's grievance procedure for a grievance concerning the lease termination (24 C.F.R. 966.51(9)(1)), the tenancy shall not terminate (even if any notice to vacate under state or local law has expired) until the time for the

Tenant to request a grievance hearing has expired, and (if a hearing was timely requested by Tenant) the grievance process has been completed.

E. Appeals concerning the obligations of the Tenant or BCHA under the provisions of the lease shall be processed and resolved according to the grievance procedure of BCHA in effect at the time such grievance or appeal arises, which procedure is posted in BCHA office.

F. Terminated Tenant files shall be disposed of five (5) years after audit.

When making a determination to deny an application for housing to an applicant or to evict a Tenant because of action or failure to act by members of the family, BCHA has discretion to consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial of or eviction from public housing on other family members who were not involved in the actions or failure to act. All decisions will be made on the preponderance of the evidence.

PART XI – COMMUNITY SERVICE AND SELF-SUFFICIENCY REQUIREMENTS

Burleigh County Housing Authority will comply with the BCHA Community Service Requirement Policy and Procedures for Tenants in Public Housing. (See Appendix F).

PART XII – GRIEVANCE PROCEDURE

Grievance Procedure for an Applicant

A. The applicant must appear personally at Burleigh County Housing Authority’s office, 410 South 2nd Street, Bismarck, ND to present his/her grievance (phone calls or mailed in requests are not accepted other than as a reasonable accommodation for a person with disabilities who has notified BCHA in advance that he/she cannot comply with that requirement due to a disability condition).

The request for an informal hearing may be presented orally or in writing. When the request is written, it must be signed by the applicant. The grievance must be presented no later than ten (10) calendar days from the date of notice of action or proposed action.

The request shall specify:

- b. The action requested; and
- c. The name, address and telephone number of the applicant and similar information about his/her representative, if any.

FAILURE TO REQUEST AN INFORMAL HEARING AS SET OUT ABOVE WILL BE DEEMED A WAIVER BY APPLICANT OF APPLICANT’S RIGHT TO A HEARING ON THE GRIEVANCE.

B. The applicant shall be afforded a fair hearing, which shall include:

1. The opportunity to examine before the hearing any BCHA documents directly relevant to the hearing. The applicant is allowed to copy any such document at the applicant's expense. If BCHA does not make a document available for examination upon request, BCHA may not rely on such document at the informal hearing.
2. The right to be represented by counsel or other person chosen as the applicant's representative.
3. The right to present written or oral objections to the Housing Authority's decision.
4. A decision based solely upon the preponderance of the evidence presented at the hearing.
5. Reasonable accommodations for persons with disabilities to participate in the informal hearing.
6. A written decision will be issued by the hearing officer within ten (10) working days of the hearing. This summary will include the names of the participants, the date of the informal hearing, the proposed disposition and specific reason(s) therefore.

Procedures Prior to a Formal Hearing:

A. Informal Settlement of Grievance

1. The request shall specify:
 - a. The particular ground(s) on which it is based;
 - b. The action requested; and

- c. The name, address and telephone number of the complainant and similar information about his/her representative, if any.

FAILURE TO REQUEST AN INFORMAL HEARING AS SET OUT ABOVE WILL BE DEEMED A WAIVER BY COMPLAINANT OF HIS/HER RIGHT TO A HEARING ON THE GRIEVANCE.

2. Within ten (10) working days, a summary of this decision will be mailed to the complainant by the hearing officer and a copy will be filed in BCHA's Tenant files.
3. The summary will include: names of participants, date of the informal hearing, nature of the proposed disposition and the specific reason therefore, and shall specify steps by which a formal hearing can be obtained if a resolution is not reached.
4. When a complainant wishes to reschedule the date and time of the scheduled informal hearing, he/she must contact BCHA 24 hours prior to the date and time of the scheduled hearing.
5. If the complainant fails to appear at the scheduled hearing, the complainant shall be deemed to have waived his/her right to an informal hearing on this matter, and the disposition of the grievance proposed by BCHA shall become final. (Should the action by BCHA be a termination of lease, BCHA will then proceed to district court for an eviction hearing).

The informal hearing must be held within 30 days of the complainant's request for such hearing unless there are extenuating circumstances which are verified by the complainant and accepted by BCHA.

When BCHA fails to hold an informal hearing within 30 days of the complainant's request and no extenuating circumstance has been claimed by the complainant, verified to BCHA and accepted by BCHA, the complainant shall then be notified by mail of procedures by which to request a formal hearing.

If the complainant fails to make a timely request for a formal hearing as set out in the procedures to request a formal hearing complainant shall be deemed to have waived his/her right to such a hearing and BCHA will forward the file to legal counsel for processing through the district court.

B. Dissatisfaction with Informal Disposition:

1. When a complainant or complainant's family is a Tenant and is dissatisfied with the proposed disposition of the grievance as a result of the informal hearing, he/she is entitled to a formal hearing before a hearing officer. (When a formal hearing is requested, the right to a private hearing shall be afforded the complainant unless the complainant requests a public hearing).

If the complainant wishes to request a formal hearing, he/she shall submit a written request. **The complainant must appear personally at Burleigh County Housing Authority's office, 410 South 2nd Street, Bismarck, ND to present his/her grievance (phone calls or mailed in requests are not accepted other than as a reasonable accommodation for a person with disabilities who has notified BCHA in advance that he/she cannot comply with that requirement due to a disability condition).** The grievance must be presented no later than ten (10) calendar days from the date of notice of action or proposed action. It may be simply stated, but shall specify:

- a. the particular ground(s) upon which it is based;
- b. the action requested; and

- c. the name, address and telephone number of complainant and similar information about his/her representative, if any.

1. If the complainant does not request a hearing within ten (10) calendar days, he/she waives his/her right to a hearing and BCHA's proposed disposition of the grievance will become final.
2. The above determination in no way constitutes a waiver of the complainant's right to contest BCHA's disposition of his/her grievance in an appropriate judicial proceeding.

Procedures to Obtain a Hearing:

A. Informal Prerequisite:

1. All grievances must be presented at an informal hearing as stipulated above as a prerequisite to a formal hearing.
2. The hearing officer may waive the prerequisite informal hearing if, and only if, the complainant can show good cause why he/she failed to proceed informally.
3. If the complainant does not request a hearing within the time period allowed above, he/she waives his/her right to the hearing and proposed disposition of the grievance will become final. This shall not, however, constitute a waiver of the complainant's right thereafter to contest disposition of his/her grievance in an appropriate judicial proceeding.

B. Escrow Deposit:

1. Before a hearing is scheduled in any grievance involving an amount for maintenance charges and/or rent BCHA claims is due, complainant shall pay to BCHA all maintenance charges and/or all rent due and payable as of the month preceding the month in which the act or failure to act took place. (When the grievance is based on BCHA's denial of a Tenant's request for a flat rent hardship exception, no escrow deposit shall be required to be paid by the Tenant).
2. The complainant shall thereafter deposit the same amount of the maintenance charges and/or the monthly rent in an escrow account monthly until the complaint is resolved by decision of the hearing officer.
3. Failure to make the aforementioned payments shall result in termination of the grievance procedure.
4. Failure to make such payments is not a waiver of any right the complainant may have to contest BCHA's disposition of his/her grievance in any appropriate judicial proceeding.

C. Scheduling of Formal Hearing:

1. Upon complainant's compliance with all procedures as set out above, a formal hearing shall be promptly scheduled by BCHA for a time and place acceptable to the hearing officer and reasonably convenient to both the complainant and BCHA.

3. When the Tenant wishes to reschedule the date and time of the scheduled formal hearing, the Tenant must contact BCHA 24 hours prior to the date and time of the scheduled hearing. When a Tenant fails to reschedule at least 24 hours in advance of the scheduled date and time, the hearing will be held at the date and time set.

Procedure Governing the Hearing:

- A. The hearing shall be held before a hearing officer.
- B. The complainant shall be afforded a fair hearing providing the basic safeguards of due process which are noted above.
- C. If the hearing officer determines that the issue has been previously decided in another proceeding, the hearing officer may render a decision without proceeding with the hearing.
- D. Failure to Appear:
 1. If the complainant fails to appear at the scheduled hearing, the complainant shall be deemed to have waived his/her right to a formal hearing on this matter and the disposition of the grievance proposed by BCHA shall become final. (Should the action by BCHA be a termination of lease, BCHA will then proceed to district court for an eviction hearing).
 2. Such a determination in no way waives the complainant's right to appropriate judicial proceedings.
- E. At the hearing the complainant must first make a showing of an entitlement to the relief sought, and then BCHA must sustain the burden of justifying BCHA's action or failure to act against which the complaint is directed.
- F. The hearing shall be conducted by the hearing officer in such a way to be:
 1. Informal – oral or documentary evidence pertinent to the facts and issues raised by the complainant may be received without regard to admissibility under the Rules of Evidence applicable to judicial proceedings.
 2. Orderly – the hearing officer shall require that BCHA, complainant, counsel, and other participants and spectators conduct themselves in an orderly fashion. Failure to comply with the directions of the hearing officer to obtain order may result in exclusion from the proceedings or a decision adverse to the interests of the disorderly party and granting or denial of the relief sought as appropriate.
- G. The complainant or BCHA may arrange, in advance and at the expense of the party making the arrangement, for a transcript of the hearing. Either party may purchase a copy of such transcript.

Decisions of the Hearing Officer:

A. A written decision will be issued by the hearing officer within ten (10) working days of the hearing. A copy will be mailed to the complainant, a copy will be filed in BCHA's Tenant files and BCHA will maintain another file copy with names and identifying references deleted for inspection by a prospective complainant/his/her representative/or hearing officials.

B. The decision of the hearing officer shall be binding on the Housing Authority which shall take all actions necessary to carry out the decision unless the Board of Commissioners determines within five (5) working days and so notifies the complainant that:

1. The grievance does not concern BCHA's action or failure to act in accordance with or involving the complainant's lease on BCHA's regulations which adversely affect the complainant's rights, duties, welfare or status.
2. The decision of the hearing officer is contrary to applicable federal, state or local law, HUD regulations or requirements of the Annual Contributions Contract between HUD and BCHA.

C. A decision by the hearing officer or Board of Commissioners in favor of BCHA or which denies the relief requested by the complainant in whole or in part shall not constitute a waiver of, not affect in any matter whatsoever the rights the complainant may have to judicial review in any proceedings; which may thereafter be brought in the matter.

Selection of Hearing Officer:

The Board of Commissioners shall appoint an impartial person or persons as hearing officer(s), upon appropriate notice, who may be an employee of BCHA, provided such person is someone other than the person who made or approved BCHA's action under review or is a subordinate of such person.
